

# FUTURE PLANNING—it's possible and necessary

## Coming Soon.... The Arc-Dane County Future Planning

Do you have concerns and questions about caring for an individual with an intellectual and developmental disabilities? Are you an aging caregiver or do you know one? Do you have a plan in place for continued care?

The Arc's Center for Future Planning and The Arc-Dane County are here to help with a new program that addresses Future Planning. We can help you proactively plan for your loved one's future, addressing the core areas of Future Planning with a person centered approach to aid in:

- \*Expressing wishes for the future
- \*Deciding where to live
- \*Financing the future
- \*Supporting major and daily life decisions
- \*Employment and daily activities
- \*Making social connections
- \*Health and wellness

Contact The Arc-Dane County for more information or to set up a meeting with our trained staff

arc.amstevens@gmail.com or  
608-831-1199

We are here to support families and caregivers through the planning process and provide them with information and resources to create future plans!
